

## [X] Vote for Raymond C. Morriss

Of Keeler, Van Buren County,

### FOR STATE SENATOR

VOTE FOR HIM primarily because he is the best qualified by education and experience and is the most available candidate for the position.

VOTE FOR HIM because he has a comprehensive knowledge of the legislative needs of his district and his state, because he understands the needs of the farmer and the agricultural interests which form the dominant industry in this senatorial district and because he can be depended upon to stand squarely for every measure honestly designed to promote the economic, moral and educational welfare of Michigan and her people.

VOTE FOR HIM because he is one hundred per cent American and believes that the first duty of every American now is to lend every energy to the prosecution of the war and hasten the day of victorious peace, and because he can, therefore, be relied upon to lend his most ardent support to every measure affecting the discharge of Michigan's duty to the nation and to Michigan soldiery.

#### VOTE FOR RAYMOND C. MORRIS

And insure the Allegan-Van Buren district of able conscientious, honest and aggressive representation in the State Senate—representation to which the people of the two counties will be able to point with a degree of pride.  
(Published by the Raymond C. Morriss Senatorial Committee)

Mistake not—Michigan's duty to her brave sons who are fighting the country's battles is becoming an increasingly important matter.

VOTE FOR HIM because he is one of the men who does things—because he has been devoting his time and talents to increasing the production of food in response to the nation's call and because he has not neglected that duty to wage a continuous campaign for office. He has not continuously annoyed you with political solicitation, because he believes that in these days of "work or fight" no able bodied man is justified in devoting his entire time to campaign work. He has presented his candidacy fairly and in thorough harmony with the demands of the time, and leaves the decision to the intelligence of the electorate of Allegan and Van Buren counties.

VOTE FOR HIM because he is a life long resident of Van Buren county and comes from a family who were the first family to settle in Van Buren county in 1828—and his interests therefore, is in this section of Michigan.

## Plow and Implement Repairs

You perhaps have noticed the fact that many exclusive Implement houses all over Michigan are going out of business. There's a reason for it. As a rule it is a non-profitable business to be engaged in. This is the point that interests you at this time. "How about the repairs I will want for my tools."

We believe in co-operation. We believe that if we can assist you there will be a time when you may feel like reciprocating.

We are making a special effort to see that all farmers tool repair needs are attended to. The sale on new tools this season is much lighter than usual which makes a greater demand for repairs.

If you, the reader of this advertisement, are somewhat in doubt just where to order those parts needed for your plow, mowing machine or any tool; just call up Waters at Paw Paw. He may have just what you want, if not it can be ordered perhaps sent direct to you by Parcels Post, either C. O. D. or on approved credit terms.

Quite a stock of Oliver, Syracuse, Gale and Imperial plow repairs are on hand at this writing.

Very prompt service can be had an all I. H. C. repairs. We get quick returns from all John Deere repairs.

—Our job is to serve you, make us prove the assertion—
